Forte Brick Terracotta Collection

We never tire of creating new iterations of this authentic, substantial, original form of baked earth. Forte Brick is a tile that's sophisticated yet feels grounded, combining the sleek and the tactile, the cool and the casual, the urban and the agrarian.

In a just-right proportion of 2 1/4"x7 7/8"x3/8" these terra cotta tiles gleam with a high-gloss glaze, perfectly tempered by dynamic mottled colorations that we've kept close to nature. An almost imperceptibly undulating flat surface that's just right for classic, country or contemporary interiors.
