# Kasbah Ceramic Collection

Where minimalist simplicity meets the warmth of handcraft, you'll find Kasbah by Country Floors. In chic simple so-right now tones of pale neutral glaze over a pure white clay body, Kasbah is meant to be installed with a tight grout joint to accentuate its imperfectly beautiful edges. With Kasbah, you can create waves of subtle intrigue across a simple, monochrome wall or dive into the palette and create a lovely mix of tones. Kasbah brings all of the beauty of an ancient Moroccan villa. Suitable for vertical interior applications, not for use in wet areas.
